College of General Practitioners

## GPEP2 Fee Schedule (Current for year ending 31 March 2012)

The GPEP2 fee is separate from the annual College subscription (membership) fee. The fee depends on the length of time required in GPEP2. On receipt of your application you will be advised of your time requirement and will be invoiced the first (of two) GPEP2 fees.

If you are working 5 tenths or less there is the option of paying the fee at 50%, but over a longer period of time (amounting to the same as the full-time fee in the end). A monthly payment option by direct debit is available (includes \$50 annual administration fee).

At the end of your minimum time requirement we allow a six-month grace period for the completion of all GPEP2 requirements up to, but not including, the Fellowship Assessment visit. A maintenance fee (\$690) may then be invoiced, and annually thereafter, until the outstanding requirements have been met.

Fees are reviewed annually. The annual fees do not include the Fellowship Assessment visit, invoiced before the visit. All fees quoted include GST.
