## Annual Conversation – a resource for GP interviewees

## **First steps**

- 1. Find an appropriate person to be your facilitator, and schedule your Annual Conversation (AC) to run before your CPD reporting date. This can be a peer, colleague or employer.
- 2. Examine your record of learning from the past year consider your CPD record and your goals when preparing for you AC.
- 3. Ensure your records are up to date and selected reflections have been uploaded.
- 4. Gather any other information or evidence that you want to discuss.
- 5. Send any information you feel is relevant to your facilitator before your AC.

> >	Did I pay attention to my own wellbeing? What were my priorities in the past 12 months? Did my learning activities reflect this? Have I done a variety of learning activities, and have I generated a range of evidence? Has my learning uncovered any gaps in my knowledge/skills?	> > >	Am I addressing self-care? What are my practice needs for the coming year? If I didn't manage to embed my learning in my daily practice last year, what might help me to embed my learning now? Was it difficult to articulate my needs/goals or to find relevant activities?		<ol> <li>Review your CPD records and reflections, and consider the value of your learning.</li> <li>Evaluate progress towards your learning goals.</li> <li>Consider professional/personal needs that impact on your CPD year.</li> <li>Identify your next learning steps, clarifying how these address your CPD requirements.</li> </ol>
>	Did any aspects of my practice change in the past 12 months, and did I adjust my goals accordingly? Do I need help expressing my reflections?	>	Do I need help to make my goals SMART? Are my long-term goals covered, and have I thought of ways to embed steps to get there?		The conversation is expected to be 45 minutes to an hour. However, this can vary depending on your needs.
>	How have I addressed cultural safety and health equity?	>	How have I addressed cultural safety and health equity?		Post-conversation actions
>	How have I allocated credits?	>	Will my activities generate a range of evidence?		<ul> <li>Record your AC details on your CPD programme.</li> <li>Upload supporting documentation (if any) on your AC.</li> <li>Update your next goals, based on the outcome of your conversation. This can be done in the Te Whanake tab of your programme.</li> </ul>
>	How have I applied my learning?	>	What matters most to me as a GP?		
>	What has the learning impact been on me, my patients and my practice? Where is my evidence of this impact?	>	How will I advance? Will I work towards: opening my own practice/gaining a qualification/changing my role/overseas employment/retiring?		
>	How could my AC facilitator help me review what I've done?	>	How could my AC facilitator help me to clarify a way forward now?
