

Te Whanake

CPD credit requirements

Expected CPD credits to be logged by a given month in the programme

This table shows the number of credits expected to be logged for the given number of completed, active months enrolled in the Te Whanake programme. Being below these credit values will be considered as not meeting the expected requirements.

Months spent on-hold will not count towards the active months.

DECEMBER 2023

1. The column “Credits required for reflections and for each CPD category” shows the minimum number of credits to be recorded for reflections and for each of the CPD categories for the given active month. The CPD categories are Medical Education (ME), Reviewing Practice (RP), Cultural Safety & Equity (CSE), and Patient Outcomes (PO).
2. Only members enrolled in the Division of Rural Hospital Medicine (DRHM) or Dual Te Whanake programmes are expected to complete clinical attachment time.
