

# Cardiovascular Risk: Look beyond the numbers

**Free Taster session for Primary Care Clinicians**  
**Limited spots available – don't miss out!**

Cardiovascular risk assessment (CVDRA): there is a no 'one size fits all' approach. In this session we will discuss:

- Ways we can work smarter to reach and help those most at risk, especially those patients who attend infrequently.
- How to look beyond CVDRA numbers to have meaningful conversations with patients.
- Shared decision-making to individualise patient management.
- Strategies to optimise communication and opportunistic team work across the primary care team.

**Wednesday 27th August, 7:30pm-9:00pm, via Zoom**
